

Saxophon: Vom tiefen über das mittlere bis zum hohen C (Stammtöne)

The diagram illustrates the saxophone's range from the lowest C (C₁) to the highest C (C₃). The notes are arranged on a treble clef staff. A red bracket at the top indicates the 'untere Oktave, ohne Oktav-Klappe O-K' (lower octave, without octave key) for notes C₁ through H₁. A second red bracket indicates the 'obere Oktave, mit Oktav-Klappe O-K' (upper octave, with octave key) for notes C₂ through C₃. A red 'Wechsel!!!' (Change!!!) is placed above the C₂ note. Below the staff, green brackets labeled 'Aktivität' (Activity) show the hand assignments: the right hand plays C₁ through F₁, the left hand plays G₁ through H₁, the right hand plays C₂ through F₂, and the left hand plays G₂ through C₃. Blue labels 'tiefes C₁', 'mittleres C₂', and 'hohes C₃' are placed below their respective notes.

Lage | untere Oktave, ohne Oktav-Klappe O-K | obere Oktave, mit Oktav-Klappe O-K
